

Lab practice 9

Update

- 1) Using as basis table 'alumnos' from practice 8, perform the following operations:
- Add 5 new records by means of a web form if the table is empty.
 - Display the students younger than 18.
 - Update the student "Juan García, Calle Cuatro Caminos 25 ",to "Juan García, Avenida de América 54"
 - Check if all the operations have been correctly performed.

SQL Query:

```
CREATE TABLE `alumnos` (  
  `nombre` VARCHAR( 15 ) NOT NULL ,  
  `apellidos` VARCHAR( 25 ) NOT NULL ,  
  `direccion` VARCHAR( 30 ) ,  
  `telefono` INT( 10 ) UNSIGNED ,  
  `dni` VARCHAR( 9 ) NOT NULL ,  
  `edad` INT( 2 ) NOT NULL ,  
  `id` INT( 4 ) NOT NULL ,  
  PRIMARY KEY ( `dni` , `id` )  
);
```
